

German for foreigners

«Sprechen Sie deutsch?» – Your reply to this question will soon be a clear «Ja»! Do you wish to improve your German communication skills for your personal or professional use? The Migros Club School helps you to achieve your goal. We offer German courses at different levels: beginners to B1 and advanced, as well as Goethe-Institute diplomas. Learning German is worthwhile: it is the most widely spoken language in Switzerland and hence the country's most important one. So join in the conversation and commence the German course most suited to you!

Intensive

The intensive course is ideal for learning a language quickly. It takes place five times a week to allow for quick progress. The beginners' course provides an easy introduction to learning the German language. The course focuses mainly on speaking, which means that you will effectively expand your language skills, including writing. Communicating in German will become increasingly easy and enjoyable.
German Intensive Beginners up to C1

Length: 54 lessons

Price: CHF 675.—

Semi-Intensive

Quickly achieve your goal! Our twice-weekly classes will help you to improve your German language skills within a short time. You will also learn interesting facts about the Swiss lifestyle and culture. Speaking, reading comprehension and writing will be practiced systematically.
German Semi-Intensive Beginners up to C2

Length: 54 lessons

Price: CHF 675.—

Standard

The standard course is ideal if you wish to learn in a relaxed atmosphere. As a beginner you will mainly practice speaking. The course contains everything you need to be able to get along in a German-speaking environment. Advanced learners will expand and deepen their speaking and writing skills. Clearly structured lessons with modern study materials and teaching methods guarantee a positive learning experience. You will not only improve your linguistic skills, but also learn interesting facts about the lifestyle and culture in your specific linguistic region.

German Standard Beginners up to C2

Length: 54 lessons
