

Drawing and Painting

Garantierte Durchführung

Beschreibung

In this course you learn the basics of drawing and painting through observation and experimentation. You will acquire a broad knowledge of various artistic techniques, using a range of media on various surfaces, all of which will enable you to discover and develop your own individual, creative style.

After finishing the course Drawing and Painting you may take any continuation course.

Inhalt

Contents include

- Still life drawing
- Perspective
- Colour theory
- Basic techniques of watercolour and acrylic painting

Voraussetzung

Prerequisites

- none
